Commercial Warranty

Authorized agent hereby warrants to the original purchaser of Meganite™ solid surface sheets and sinks to be free of manufacturing defects for a period of 10 (ten) years from the date of initial installation by a certified / authorized Meganite fabricator and / or installer. Authorized agent's liability under this commercial warranty is limited to the repair and / or replacement of any defective raw material, at its sole discretion, excluding labor and installation charges, at the original site of installation. To qualify for coverage under this commercial warranty the solid surface product must be installed in a use for which the product was designed, including: vanities, kitchen counters, tables, window sills, transaction and work stations, and all other uses, which authorized agent determines, at its sole discretion, are a normal intended use. Certain uses of the solid surface product in a commercial application are not covered under this warranty and include columns, flooring, exterior applications and any other application, as determined by authorized agent, at its sole discretion, for which the product was not originally designed. The commercial warranty extends only to the original purchaser and is not transferable, and expires if the product is transferred or resold.
